

PET FOOD RECALL

Land O' Lakes, Purina Feed has initiated a recall on two lamb feed products due to higher than acceptable levels of copper.

Lake Country Honor Show Lamb Grower DX Pellet
Lake Country Honor Show Lamb Starter DX Pellet

Lot numbers range from January 1, 2008 to May 30, 2008 and are listed on the bag as **8JAN01FRE1** to **8MAY30FRE1**.

The products included in this recall were distributed only in the following areas: Nebraska, Kansas, Colorado, Minnesota and Iowa, however, if customers have any of these products in stock they should check the tags to make sure they do not have the recalled feed.
